

Ethel T. Wead Mick founded the International Order of Job's Daughters in 1920 in Omaha, Nebraska. It is now located in five countries — United States, Canada, Australia, Philippines and Brazil.

The Job's Daughters International Headquarters is in Papillion, Nebraska.

For over 75 years, Job's Daughters has been actively promoting friendship and service. The group takes its name from the Book of Job, and in particular to a reference in the 42nd Chapter that says, "In all the land were no women found so fair as the daughters of Job; and their father gave them inheritance among their brethren."

To be a member of Job's Daughters is to be part of a group that promotes friendship among young women and confidence in themselves. As a member, you will learn skills that will help you throughout your life. You will become part of an organization that serves the community. Most importantly, you will have fun!
