MEMBERSHIP GRANT AWARD

The success of Nebraska Job's Daughters depends on YOU! Girls and Adults, let's get moving and let's get busy initiating more members!!!!!!!!!!!!

This year we are giving Membership Awards to two Bethels who bring in the most girls from – the end of Grand Session to June 1. We will divide the Bethels into Large and Small giving everyone a fair advantage. Size of Bethel will be determined by the numbers submitted on your last Annual Report. A \$100 cash prize will be awarded to the Large Bethel and the Small Bethel for the most girls initiated during this Grand Year!

Prizes will be awarded at Grand Session. We will also have a display showing all of the girls names from across the State who were initiated and the Bethel they are from – so you want to make sure that your Bethel is represented with lots of names. The information must be returned to the Grand Guide, who is the Chairman of Promotion & Membership no later than May 31.
