Each year at Formal Opening, we remember those past and present Job's Daughters and Council Members who have passed from this life since our last Grand Session. Please send me the information so that we can pay a special tribute to these special people who have played a very important part in our lives.

Complete the form below for each individual and return it to me before June 1, 2010. Please duplicate the form as needed.

If a death occurs after June 1 and before our Grand Session Formal Opening on June 17, please notify me immediately.

PLEASE PRINT OR TYPE

Please share something about this dedication of this person to Job's Daughters on the back of this form. It will be read during the Necrology Ceremony at Grand Session.
